

Keep Kids Safe

Parking and Road Safety
Around Schools

Keeping kids safe around schools

Parking Zones around the school are put in place to ensure pedestrian safety. Children are in particular danger near schools because:

- Their small size makes it hard for drivers to see them between traffic, parked cars, stobie poles and other obstacles.
- They are easily distracted and may not be aware of traffic.
- They may suddenly run onto the road – e.g. to meet a parent.

Some road rules you particularly need to be aware of are:

- You must not stop in a No Stopping Zone, even for a few seconds to pick up your child.
- You may stop in a No Parking Zone for a few seconds to pick up a child who is waiting near by. You must not park or leave the vehicle.
- You must not Double Park, or stop in the line of traffic, to pick up or drop off a child.
- You must not stop in a Bicycle Lane.
- You must not stop within 20 metres before a crossing or 10 metres after a crossing.
- You must not stop within 10 metres of an intersection or junction without traffic lights.

If you have any enquiries regarding this information please contact City of Adelaide on 8203 7203.

City of Adelaide Parking and Information Officers and SAPOL are aware of these issues and will monitor the situation and deal with breaches accordingly to ensure children's safety. Expiations will be issued to any vehicles contravening these rules.

Please be mindful of your own behaviour around schools, whether in relation to where you park or the respect shown to Officers trying to ensure pedestrian safety – you are our children's greatest role model.
